GENERAL TERMS AND CONDITIONS

1. Preparation of Bids

- 1A. Bidder has examined the drawings, specifications, schedule and all instructions. Failure to do so will be at the bidder's risk.
- 1B. Bidder has furnished all information required by the invitation for bid. Erasures or other changes must be initialed.
- 1C. Bidder has submitted bid using bidder's exact legal name in the appropriate space.

2. Submission of Bids

- 2A. Bids and amendments shall be enclosed in sealed envelopes, addressed to the office specified in the invitation for bids with the name and address of the bidder, the reference and bid number on the face of the envelope.
- 2B. The City of Loganville shall not be responsible for the premature opening of a bid not properly addressed and identified by bid number and reference and /or delivered to an improper destination.
- 2C. Samples of items, when required, must be submitted within the time specified and, unless otherwise specified by the City, at no expense to the City. Any sample submitted shall create an express warranty that the whole of the goods and/or service shall conform to the sample submitted. Unless otherwise specified, samples will be returned at the bidders request and expense if items are not destroyed by testing.
- 2D. Items offered must meet required specifications and must be of a quality which will adequately serve the use and purpose for which intended.
- 2E. Full identification of each item bid upon, including brand name, model, and catalog number must be furnished to identify exactly what the bidder is offering.
- 2F. All items to be furnished shall be new and in current production unless otherwise stated. The quality of items shall not be deteriorated so as to impair their usefulness.
- 2G. In case of discrepancy between the unit price and the extended or total price, the unit price shall prevail.

- 2H. The bid, once submitted and opened, shall remain open for acceptance for a period of at least ninety days from the date of opening of the bids as set out in the invitation for bids unless specifically excepted to in your bid.
- 2I. All prices shall be quoted FOB destination, City of Loganville or job site.

3. Discounts

- 3A. Bidders are urged to offer cash discounts for prompt payment. Such discounts will be factor in the award. Offers of discounts for payments within (10) days following the end of the month or at least 15 days after receipt of invoice are preferred.
- 3B. In connection with any discount offered, time will be computed from date of acceptance at destination or the date a correct invoice is received, whichever is the later date. Payment is deemed made, for the purpose of earning the discount, on the date of the check.
- 3C. For payment of full invoice price, minimum terms of net 30 are preferred, to allow sufficient payment processing time.

4. Evaluation of Bids

The evaluation of bids and the determination as to equality and acceptability of products or services offered shall be the responsibility of the City. Accordingly, to insure that sufficient information is available, the bidder may be required to submit financial information, literature, samples, references or other information prior to award.

5. Award

Award will be made to the lowest responsive, responsible bidder. Unit price, payment terms, references and any exceptions listed will be taken into consideration in making the award. The city may make such investigation as it deems necessary to determine the ability of the bidder to perform, and the bidder shall furnish to the City all such information and data for this purpose as the city may request. The City reserves the right to reject any bid if the evidence submitted by, or if the City's investigation of such bidder fails to satisfy the City that such bidder is properly qualified.

6. Substitutions

Bidders offering and quoting on substitutions or who are deviating from the attached specifications, shall list such deviations in the space provided or on a separate sheet to be submitted with their bid. The absence of such a substitution list shall indicate that the bidder has taken no exception to the specifications contained herein.

- 7. Preference shall be given to the bidder submitting the lowest and best firm price for the term of the contract. Should it be found that due to unusual market conditions it is necessary for the City to accept a price with an escalation clause, the following shall apply:

- 7A. The contract price shall be frozen for a specified period. This period must be shown on your bid.
 - 7B. Cost data to support any proposed increase must be submitted to the Director of Utilities not less than TEN (10) days prior to the effective date of any such requested price increase.
 - 7C. Any adjustment allowed shall consist of bona fide cost increases resulting from situations as unforeseen raw material cost increase which may be passed on to the consumer.
 - 7D. No adjustments shall be made to compensate a supplier for inefficiency in operation or for additional profit.
 - 7E. Bids indicating price in effect at time of shipment will be considered invalid.
 - 7F. No price changes will be honored until two (2) copies of the list changes are received by the Director of Utilities.
8. The term "contractor" as used herein and elsewhere in these specifications shall be used synonymously with the term "successful bidder." The term "City" shall mean City of Loganville.

9. Brand Name or Trade Name

- 9A. If items in this invitation for bid have been identified, described or referenced by a brand name or trade name description, such as identification is intended to be descriptive, but not restrictive, and is to indicate the quality and characteristics of products that may be offered. Products may be considered for award if such products are clearly identified in the bids and are determined by the City to meet its needs in all respects.
- 9B. If the bidder proposes to furnish another product, such shall be clearly identified in the bid. The evaluation of bids and the determination as to equality of products offered shall be the responsibility of the city. Accordingly, to insure that sufficient information is available, the bidder may be required to submit literature and/or samples prior to award.

10. Delivery Failures

Failure of a contractor to deliver within the time specified or within reasonable time as interpreted by the Director of Utilities, or failure to make replacements of rejected articles when so requested, immediately or as directed by the Director of Utilities shall constitute authority for the City to purchase in open market articles of comparable grade to replace the articles rejected or not delivered. On all such purchases, the contractor shall reimburse the City within a reasonable time specified by the Director of Utilities for any expense incurred in excess of contract prices or the City shall have a right to deduct such amount for monies owed the defaulting contractors. Such purchases shall be deducted from contract quantities. Alternatively, the City may impose a late delivery penalty on a delinquent contractor of one percent (1%) per day for a period of up to TEN (10) days for each day that delivery or replacement is late. Should public necessity demand it, the City reserves the right to use or consume articles delivered which are substandard in quality, subject to an adjustment in price to be determined by the Director of Utilities.

11. Non-Collusion

Bidder declares that the bid is not made in connection with any other bidder submitting a bid for the same commodity or commodities, and that the bid is bona fide and is in all respects fair and without collusion and fraud. An affidavit of non-collusion, if included in bidding instructions, shall be executed.

12. Default

The contract may be cancelled or annulled by the Utilities Director in whole or in part by written notice of default to the contractor upon non-performance or violation of contract terms. An award may be made to the next lowest responsive and responsible bidder, or articles similar to those so terminated may be purchased on the open market. In either event, the defaulting contractor (or his surety) shall be liable to the City for cost to the City in excess of the defaulted contract prices; provided, however that the contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause. Failure of this contractor to deliver materials or services within the time stipulated on his or her bid, unless extended in writing by the Utilities Director, shall constitute contract default.

13. Guarantee

The material shall be guaranteed to be free from defects of construction, conception and workmanship for a period of at least twelve (12) months from the date of acceptance. Any part or portion found not in accordance with this specification will be rejected and returned to vendor at vendor's expense for immediate replacement.

14. Patent Indemnity

The contractor guarantees to save the City, its agents, officers or employees harmless from liability of any nature or kind for use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used in the performance of the contract, for which the contractor is not the patentee, assignee or licensee.

15. Packaging

Bidder shall indicate how his product is supplied and the packaging of the product. All products must be packaged in a manner that will afford reasonable protection against moisture, contamination and tampering. Items must be furnished in manufacturer's original unopened package or container.

16. Upon request by the City, information on products awarded shall be provided by the contractor

17. Final inspection of all products and decisions of acceptance or rejection will be made by the City. Final inspection shall be conclusive except with respect to latent defects, fraud or such gross mistakes as shall amount to fraud. Final inspection resulting in acceptance or rejection of this product will be made as soon as practicable, but failure to inspect shall not be constructed as a waiver by the City to claim reimbursement or damages for such products which are later found to be in nonconformance with specifications.

18. Bidder Qualifications

The ability of the contractor to provide dependable and prompt service shall be an important consideration in awarding a contract

19. Ability To Perform

The bidder may be required, upon request, to provide to the satisfaction of the City of Loganville that he/she has the skill, experience and the necessary facilities, as well as sufficient financial and human resources to perform the contract in a satisfactory manner and within the required time. If the available evidence is not satisfactory to the City of Loganville, then the bid of such bidder may be rejected.

20. Unauthorized Performance

No compensation will be paid to the contractor by the City for work performed as a result of this contract unless the work is requested in the invitation for bids and the price for such work is specified by the contractor in his or her bid. If additional work not requested in the invitation for bids must be performed in satisfaction of the contract, then approval shall be given in writing by the Director of Utilities prior to the additional work or service /product being performed and/or delivered.

- 21.** Each item or sub-item shall be individually priced per unit as shown under “unit price” column. Bidder shall multiply the unit price bid by the quantity listed under the quantity column and the total shall be indicated in the extended price column. In case of error in extensions or additions or in case of discrepancy between the unit price and the extended price, unit price shall prevail.
- 22.** Prices quoted shall be firm for the period of the contract.
- 23.** Bidder shall specify manufacturer or trade name or product number for each line item bid in the space provided on the proposal pages. Failure to do so or the Inclusion of remarks such “as specified” will be cause for rejection of bid.
- 24.** In return for prices submitted, the city will purchase all of its requirements of the products listed herein from the successful bidder. It is provided, however, that when quality or quantity levels are not satisfactory to the City, an exception to this commitment will be granted.

25. Quantities

Quantities listed herein are estimates only for the period specified. No guarantee to purchase the amounts shown is intended or implied. The City reserves the right to order larger or smaller quantities at the prices stated in the bid of the successful bidder.

26. Substitution of Requested Items

The contractor shall be obligated to deliver products awarded in this contract in accordance with terms and conditions specified herein. If a contractor is unable to deliver the products under the contract, it shall be the contractor’s responsibility to obtain prior approval of the ordering agency to deliver an acceptable substitute at the same price quoted in the contractor’s original bid. It shall be the contractor’s responsibility to obtain such substitute. In the event any contractor consistently needs to substitute or refuses to substitute products, The City reserves the right to terminate the contract or invoke the “Delivery failures” clause stated herein.

27. Responsibility for Damaged Claims

The contractor shall indemnify, hold harmless and defend the City and its officers, agents and representatives, from all suits, actions, claims, or damages sustained by any person or property due to the negligent acts or omissions by the contractor, or any of his officers, employees, subcontractors, assignees or representatives in the performance of the contract. In the event the City and the contractor are found to be joint tortfeasors with respect to injuries or damages, the contractor’s obligations to indemnify the City under this section shall extend only to the contractor’s prorate share of negligence as determined in accordance with Georgia State Statutes.

- 28.** Assignment of any contract resulting from this invitation to bid will not be authorized.

29. None of the various City Departments or agencies, either individually or collectively, will be required to purchase any minimum amount during the term of this contract, nor will they be limited, either individually or collectively, to any maximum amount during the term of this contract.
30. This contract may be cancelled by either party upon submitting thirty (30) days written notice of intent to cancel to the other party.
31. The City reserves the right to increase or decrease quantities shown without penalty.
32. Failure to observe any of the instructions or conditions in this invitation for bid shall constitute grounds for rejection of bid.
33. All of the specifications and information contained in this invitation for bid, unless specifically excepted to in writing and exceptions included with the bid will form the basis of the contract between the successful bidder (the contractor) and the purchaser. Caution should be taken by the bidder that all questions are answered in the spaces provided and all requested information is submitted.
34. If multiple line items are listed on the pricing sheet, such items may be awarded by line item, by groups or by lump sum award. The award will be made in the best interest of the City of Loganville. If your company will not accept a split award for this invitation for bids, you must so indicate on the attached pricing sheet.
35. The City may, at its option and with the approval of the Contractor, extend the period of the agreement up to two additional years, one year at a time. The contractor shall be notified in writing by the Director of Utilities of the City's intention to extend the contract period at least 30 days prior to the expiration of the original contract period.
36. The City reserves the right to waive immaterial defects in a bid or proposal, in the interest of avoiding denial of bona fide competition for reasons that are inconsequential.
37. The Bid opening is open to the public. Bid tabulations will be available for public viewing for a period of 90 days from the bid opening date. If you would like a copy of the bid tabulation, it may be obtained from the Department of Utilities at .25 cents per page.
38. Bid security
